Laptop backpack

Premium business

Transform the backpack into a sleek tote by tucking away the straps in the pocket on the back panel

Attach the backpack to your carry-on with its convenient luggage strap, or carry it on your shoulders with its ergonomic and adjustable straps

Main compartment with three zippered pockets and mesh organizers provide ample room to carry your clothes, binders, mobile devices and accessories

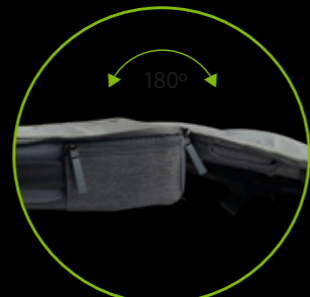

Dedicated, fully-lined and padded compartment with divider and a strap, suitable for laptops of up to 15.6 inches and tablets of up to 12 inches

Built-in locking buckles secure the backpack to any anchor point

By allowing full access to your digital gear, you can fly through security checkpoints; no need to remove your devices anymore

Exterior pockets conveniently located on the sides keep keys, cables and pens in place and easy to find

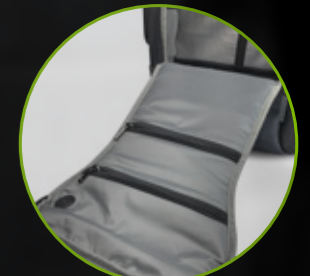

An anti-theft pocket on the back, with camouflaged zipper closure, provides extra protection to your valuable cargo or travel documents when you are on the move

Power bank pocket and external USB port for conveniently keeping your devices energized while on-the-go

Compartimiento principal con tres bolsillos con cierre de cremallera, a la par con organizadores de malla, ofrecen suficiente espacio para llevar artículos personales, de escritorio, dispositivos móviles y toda clase de accesorios

Elaborada con nylon de 1600 deniers de excelente calidad y suave forro interior. La tela y los cierres son repelentes al agua
